memorandum

Office of the Director

To/MS: Leaders
From/MS: Bob Kuckuck, A100
Phone/Fax: 7-5101/Fax 7-2997
Symbol: DIR-05-329
Date: September 2, 2005
Subject: **Organization Changes**

In preparation for transition to new management under the new contract, I want to stabilize the Laboratory's organizational structure and minimize unessential change and turmoil. Consequently, I am directing, effective immediately, that organizational restructuring at any level must be coordinated and approved with the Director through the cognizant Associate Director.

Thanks for your support.
